

Edibles 08

With stunningly rich fluid colors and respect for the true nature of its subject, the 30th edition of EDIBLES calendar presents fruits and vegetables as unique and exciting fine art. Since 1978 Robert Kaufmans photography has delved into the beauty, form and meaning of these essential life giving elements. This is the ideal kitchen calendar. Each month offers a new and beautiful image of these healthy fruits and vegetables. Whether you are a lover of food, health conscious, or a fine art photography buff this is the ideal calendar for you. The calendar grid offers lots of room in the boxes to write in appointments and special dates.
