

## The 411 on College Life: 10 Tips That Can Make You or Break You

Going to college and passing your courses is only part of the challenge of attending a college/university. There are many more challenges outside the classroom that can derail anyone, even the top students in a class. This book covers 10 important topics (based from my experience) in an easy, straightforward manner about surviving and thriving outside the classroom. Read this book, reap the benefits, and save yourself years of headaches/hardships by being armed with this information. I have personally seen many good students fall victim to preventable hardships. Please don't be the next victim.
