What day is one of the most important days for Brides to be & Brides Maids? Wedding Day! Now there is a healthy eating and exercise program for Brides to be & Brides maids who wish to shape their body and lose weight for the wedding within 30 days or less. You may ask, what makes your program different Sakani? A point of difference is unlike other Fitness Coaches and Personal Trainers, I teach people the difference between a Opportunity Fitness Seeker and a Strategic Fitness Thinker. Also, I teach people an easy strategy to follow that teaches them a simple way to think, eat and exercise. I have put one of my best and most effective weight weight loss/tone up programs in this book and call it: flowologee: think, shape your body & lose weight for the wedding day in 30 days or less Here are 3 main results you should get from applying the information in this book: 1.)
