

The Puffer Calendar 2015

This beautiful calendar celebrates Vic 32, the last surviving Clyde Puffer, which was found derelict in Whitby harbour and lovingly restored by Nick and Rachel Walker. It is now a familiar sight along the west coast of Scotland as it steams up the Clyde estuary and round the islands of the Hebrides. The wonderful photographs in this calendar show it under its plume of smoke as it sails through some of the loveliest scenery on earth, and David Hawsons vibrant paintings and line drawings adorn each month. Sales of the calendar support the Puffer Preservation Trust, the registered charity set up to maintain the Puffer and save this iconic vessel for future generations to enjoy.
