

Art of Fly Fishing 2015 Calendar

Bob Whites paintings in The Art of Fly Fishing capture the pleasures of time spent watching the arc of the cast, feeling the silent pull of the current, and waiting for the snap of the line. One of Americas foremost painters of the sporting arts, he began his career wandering between Alaska and Patagonia for over two decades as an itinerant fishing guide. With the help of these vibrant images, you too can enjoy fly fishing throughout the entire year. 14 ? 22 inches, open
