Operations * Desert Operation *
Counterguerrilla Operations As a bonus, weve also included 19 other documents about nuclear, biological, and chemical (NBC) terrorism threats. Several are U.S. military publications, including the valuable NBC Battlebook, Medical Aspects Of Chemical And Biological Warfare, Medical Management Of Biological Casualties Handbook, Field Management Of Chemical Casualties (US Army), Treatment Of Biological Warfare Agent Casualties, and Medical Treatment Of Radiological Casualties. This book-on-a-disc makes a superb reference work and provides a great, one-stop source of essential information! It is designed to provide a convenient user-friendly general reference work, utilizing the benefits of the Adobe Acrobat format to uniformly present thousands of pages that can be rapidly reviewed or printed without untold hours of tedious searching and downloading. Vast archives of important government information that might otherwise remain inaccessible are available for instant review. The documents are reproduced using Adobe Acrobat PDF software - allowing direct viewing on Windows and Apple Macintosh systems. Reader software is included on the CD.
