Free PDF file with photos available at the end of the book

Such a lovely meal! Where did you get this recipe? This dish turned out great! Well done! Wow! That looks so delicious. Just like grandma used to make. These are words every homemade chef likes to hear from other people, right? Whether you are a novice in cooking or a skilled homemade chef, you are probably looking for new and easy ways to improve your culinary skills and delight your family and guests. How to be a better cook? How to cook intensely flavorful food? However, there's no magic formula or concoction! Cooking is a lifelong adventure. Working hard in the kitchen doesn't guarantee a successful meal. On the other hand, an extraordinary ability or talent is not enough. No one is born a great cook! So how can we achieve that goal? In addition to your talent and work, you have to have the right kitchen gadgets! You have to have the obsession with learning to cook in many different ways, using different cooking appliances and devices. Additionally, you may find your new cooking style. The point is to spice things up by trying new ways to cook old-fashioned and same meals. This cookbook contains 750 scrumptious comfort food recipes that are divided into three categories: Crock Pot Recipes, Pressure Cooker Recipes, and Instant Pot Recipes. You might have one, two or all these devices. If you do not have any of them, this book will provide you with easy-to-follow recipes and useful information about the cooking device you are considering. Sit back and enjoy your

cooking adventure!
