

## KickStart to Wealth

There are many books that tell you how to become wealthy or rich. The catch is, you have to have some money to start with. KickStart to Wealth overcomes that obstacle. In a practical easy step by step method, it will show you how you can start with nothing. Flat Broke! Not only that it shows you how to get out of debt also. The KickStart to Wealth manual fills that gap between having absolutely nothing to having enough to get you on the road to being independently wealthy! A powerful no-fluff, practical workbook on becoming rich or wealthy... Reading this manual 3 times and doing the exercises will be my first goal ...Brynjar Gudmundsson
