

Attila and the Hunnic Invasion of Rome (Illustrated)

A powerful excerpt of Edward Gibbons History of the Decline and Fall of Rome, this eBook focuses on the career and power of Attila the Hun, how he ravaged across the Roman frontier and came very near to ending the mother of the world. A fascinating look at one of the most conquest-driven individuals in history, Edward Gibbons prose is excellent at every turn of the page. The story of Attila is essential to anyone seeking to understand the collapse of one of the greatest empires the world has ever seen. Illustrated throughout to enhance the reading experience.
