

## The Callaways: Its Only Love (Kindle Worlds Novella)

Nicole Callaway needs a favor. She wants someone to take her grandmother Gigi on a cruise to Hawaii. Nicole turns to her best friend Madison Cooper, who is suddenly available after being stood up at the altar. Maddie knows she will not enjoy the fun and games aboard the ship, not when she's suffering from the blues, but she can't say no to a friend in need. Once on board the luxury liner, Maddie meets Nate, the Navy Seal in the next cabin who's on vacation with his father. Though she's rebounding from being ditched by her fiancé, Maddie falls for the charming, sexy guy who swears he's on board for fun and that's all. His heart belongs to the navy. But the magic of the sun, sea and the chemistry between them makes him wonder if there's another ending to the story. When his father suffers a stroke, he and Nate are evacuated before Nate and Maddie can find out if their love will last. Will they each go their own way once the love boat docks in San Francisco?
