

A Yorkshire Christmas (Christmas Around the World Book 2)

Wealthy New York City girl Claire Lindell isn't looking for a Christmas miracle or happiness when she abruptly decides to hole up for the holiday at her godmother's cottage in a little Yorkshire village, and lick her wounds from a near disastrous romantic decision. After her car skids into a snow bank, Claire may have accidentally found her perfect Christmas and the family and love she's craved when she offers Noah Bradford of Ayesgill Farm help to push the back end of one of his sheep out of the icy mud, even if she's going to ruin a brand new pair of Prada boots during the rescue. What's a little leather when love's on the line?
