

My Funny Valentine

Quirky, irreverent and laugh-out-loud hilarious, Rhonda Nelson speaks my language! --New York Times bestselling author Vicki Lewis Thompson

Vintage Rhonda Nelson! Though Rhonda is known more recently for her sexy, romantic comedies she began her career writing funny, heart-warming romance for Kensingtons Precious Gems line. The books were only sold in Wal-Mart and spent less than a month on the shelves. Now, thanks to the wonderful world of digital publishing, theyre available again.

Young widow Bella Valentine isnt looking for love in all the wrong places--shes not looking for love at all. With a young son, an aging Victorian house in need of constant repair and a busy business keeping the women of Magnolia Grove, Mississippi groomed and in current fashion, she doesnt have time for romance...until it literally arrives at her front door...in the form of Gray Cameron. Bestselling mystery author Gray Cameron is in town researching his latest novel and needs a place to lay his head for a few months. Bellas above-stairs apartment fits the bill excellently and the scenery--hers specifically--is nothing to sneeze at either. But when the sexy widow and her adorable son prove to be more interesting than his current novel, Gray knows hes in trouble. And trouble has never felt so good...
