

Finding the Perfect Man

Unwilling to let another man control her life, Dr. Jordan Reed hires Brock Hamill to portray her new love interest to satisfy her nagging stepmother. Part of the bargain is that the new man convinces her ex-boyfriend that Jordan has happily moved on. Unfortunately, its hard to prove when Brock blames Jordan for his sisters suicide and embarks on a mission to destroy her psychiatric credibility. Acting the part of a patient, his mission is deterred by the doctors sweetness and giving heart, and when he discovers her life is in jeopardy, hes willing to reveal his true identity to save her. Will Jordan forgive his deceit when she learns the truth?
