

Angel Vindicated (Abby Angel Series Book 1)

Deporting unruly demons back to Hell is what I do best. Demon Control Angel isn't just my job; it's my life. Too bad my personal matters aren't as straightforward. The virtuous gene seems to be missing from my DNA, getting me into more trouble than I'd like to admit. To date, my biggest vice has been Simeon Keller, a half-breed demon, who managed to seduce me five years ago. I've avoided him ever since, but I can't knock the bad reputation the blunder has branded on me. Now, the threat of a demon rebellion has Angels, Inc. overwhelmed, and I'm forced to trust Simeon to help me find the fiends threatening to end Angels' existence. Staying out of the enemy's bed is the least of my worries as I fight to keep the earth from falling under demon rule. *Contains sexual content, language, and material that may be offensive to some.
