

## Animal Querkles: A Puzzling Colour by Numbers Book

From the creator of the 1000 Dot-to-Dot series comes Querkles Animals, putting an exciting new twist on the classic colour-by-number images that we loved as children. At first, you see nothing but a baffling tangle of circles, but hidden within each puzzle is a furry face waiting to be revealed! Featuring a menagerie of adorable creatures from chomping chimps to louche giraffes, Querkles Animals provides hours of creative colouring fun for artistic minds of all ages. Choose a dramatic colour scheme to make your Querkle truly unique, discover what's hidden in each puzzle, and create a striking animal portrait that you can easily remove and display.
