

Get Your Summer Strategy On! 2012 Edition

College admissions have grown increasingly competitive over the last decade. It takes more than a solid GPA and respectable test scores to gain entry into an elite university. Today, an applicant needs a stellar resume to show meaningful dedication outside the classroom and boost his or her chances of acceptance to a top college. In *Get Your Summer Strategy On*, Jessica Givens gives students step-by-step a guide to maximizing the potential of the summer months. Givens reveals the different resume bullets students must complete, and she highlights the many programs available to students in the know. By following her simple guide, students are guaranteed to change their admissions potential and broaden their horizons, turning their applications into college admissions gold.
