

What is Love: Online Dating Advice For Real People

What is Love Really? You're not 19 years old anymore (or 23, or even 29.) And maybe you don't look like a movie star, or you're not as pretty as some, or as handsome as others. Does this mean you're at a disadvantage when it comes to online dating? No way! In fact, whatever your age, your looks, and your situation, you're just getting started especially with the online dating advice, training and tips you will find in this 78 page real world guide to online dating. And it gets even better, because the limitations that you think you have are usually only in your mind. For example, what if you just have average or even below average looks, and you really want to date someone handsome or beautiful? Is that out of your reach? It's not, when you know the secrets and get the best online dating advice which just may answer the what is love question for you. Look around the mall the next time you're there, or anytime you're in a crowd, and check out all the couples. Notice that while you see pretty people together, and not-so-pretty people together, you also see not-so-pretty with pretty, handsome with pitiful, and gorgeous and downright ugly. Now, why do you suppose that is? There are very enlightening explanations from real people just like you who have played the online dating game and finally made it when they got some real world training and online dating advice to finally answer for themselves the burning question of what is love.
