

Never Cry Wolf: BBW Paranormal Shape Shifter Romance (Band Of Wolves Series Book 3)

Irresistibly seductive, and beautifully complicated, Reece Golden finds himself constantly at war with his inner beast when it comes to women. His human side is attracted to sinfully wild bad girls, while his wolf wants a quality woman who knows what she wants in life and isn't afraid to take it. His world is about to be turned upside down when his human wants and his beast desires finally agree... When the billionaire playboy finds himself tangled up in a property scandal, and comes face to face with the wickedly delicious curves that belong to the sexy businesswoman, Jade Nash, he knows his wild bachelor lifestyle is over. She is everything both him and his beast have wanted, and what the shifter wants, the shifter gets. What he doesn't know is that unlike the other women he so easily enamors with his skillful hands, and fiery passions, the buxom brunette isn't going down without a fight. It'll take more than sweet words and soft touches to win her over. It's time to let his beast take control. Note To Readers: Band Of Wolves is a standalone series where every book offers one complete story. There are cross-over characters in every book, but NO cliffhangers. It also doesn't matter in which order you read the books. Enjoy! WARNING: This book contains scenes of an adult nature. Only read if you are 18+, please.
