

1 Big Salad: A Delicious Counting Book

Juana Medinas ingenious illustrations nearly pop off the page in her new counting book, ONE BIG SALAD. One avocado deer saunters across the spread, two radish mice scurry by, until finally ten watercress seahorses swim onto the scene - all of the ingredients in one big salad! Medinas previous book with Viking, SMICK!, introduced her to the childrens book world, and now shes bringing her fresh and innovative take on the concept book form.
