

## Sri Lanka Handbook (Footprint - Handbooks)

The island of Sri Lanka conjures up images of tea plantations, white-sand beaches backed by coconut palms and statues of reclining Buddhas. Whilst the pearl-shaped isle does offer all these things, the real Sri Lanka is much richer: Footprints 6th edition Sri Lanka Handbook will help you travel beyond the tourist trail, from Kandys Temple of the Tooth to the remote, lagoon-fringed shores of the east. Great coverage of the top activities and sights in the country, including whale-watching, ayurveda and snorkelling. Loaded with information and suggestions on how to get off the beaten track, from Jaffnas abandoned islands to spotting elephants in the wild national parks. Includes comprehensive information on everything from transport and practicalities to history, culture & landscape. Plus all the usual accommodation, eating and drinking listings for every budget. Full-color planning section to inspire you and help you find the best experiences. From the abundant wildlife and ancient ruins to tea tasting in the cool plantations, Footprints fully updated 6th edition will help you get to the heart of this incredible island.
