

Calendar of Wooden Boats

The 2007 edition of the Calendar of Wooden Boats marks the 25th anniversary of this undisputed favorite of boating enthusiasts around the world. No other photographer captures the spirit of the maritime tradition as evocatively as Benjamin Mendlowitz. Sailboats, from small to large, a yacht tender, a newly refurbished commuter motoryacht, and a perfect interior are captured in brilliant color in this beautifully produced, elegant 12 x 24 (when open) wall calendar. Informative and entertaining captions are provided by wooden boat expert Maynard Bray. In addition to 12 new images, the Silver Anniversary edition is bound with a special pull out page featuring each cover photograph from the past 25 years - a memento that is not to be missed!
