

Catch Me a Colobus (Bello)

A pot-pourri of humorous animal anecdotes concocted by the famous wildlife lover, leading conservationist and award-winning author, Gerald Durrell. Hectic, hilarious days at his Jersey zoo and forays to various corners of the earth to rescue animal species in danger of extinction provide a series of wonderful stories that are wry, witty and wonderful. Apes get loose, tigers get pregnant and women fall by the droves for a handsome zoo keeper. Endearingly funny, occasionally outrageous, Catch me a Colobos is classic Gerald Durrell.
