

## Koryu Bujutsu: Classical Warrior Traditions of Japan

Koryu Bujutsu is the first new book on the arts of the Japanese samurai to appear in over twenty years. Written by the foremost Western practitioner/writers, these eight essays are based on experiences with authentic Japanese traditions and teachers gained during decades spent living, researching, and training in Japan. Together they offer a fascinating, literate, and insightful view into the classical warrior ways of feudal Japan. Compiled and edited by Diane Skoss (herself licensed in Toda-ha Buko-ryu naginatajutsu, an ancient warrior tradition), the book also contains thirty-three photographs, bibliographical references, a Japanese glossary with kanji, and a detailed index.
