

Coloring for Grown-Ups: The Adult Activity Book

Two veterans of offbeat Internet humor hilariously combine the mindless fun of childrens coloring books with the mind-numbing realities of modern adult life. With over 200 comedy videos and 75 million Youtube views to their credit, Ryan Hunter and Taige Jensen know how to make people laugh. Their YouTube video, Hipster Olympics racked up nearly three million hits and quickly attained worldwide cult status, which led to opportunities to create original content for Comedy Central, MTV, College Humor, theHuffington Post, The Onion and Slate. Now, the duo put their prolific creative talents to work in Coloring for Grown-Ups. The artwork resembles that of a childrens activity book, while actually offering an ironic look at the stereotypes, habits, and challenges of modern adulthood. Coloring for Grown-Ups includes more than 50 fun activities, such as: * 6 Steps for Compromising Your Integrity and Goals!* Hipster or Homeless?* Color the Potential Terrorists!* Draw the person you thought youd grow up to be before you abandoned all your hopes and dreams!
