Stylish and functional cast-iron cookware is prized for its versatility, durability, and exceptional heating capabilities. Now home cooks can get the most out of their cast-iron collection with over 40 recipes for the Dutch oven, skillet, and more. Whether its your grandmothers well-seasoned black skillet or the brightly colored enameled pot you received as a wedding present, cast iron is the perfect choice for nearly any cooking task. You can use a Dutch oven to slow-simmer chicken until meltingly tender; a heavy frying pan to sear steaks to a juicy, browned finish; a ridged stove-top grill pan to cook golden and oozing cheese sandwiches; and a sturdy roasting pan to caramelize sweet root vegetables in the oven. Organized by type of cookware, each chapter shows the many ways to use these popular pots and pans, adored by professional chefs and home cooks alike. More than 40 tempting recipes are included, many of which boast beautiful, full-color photographs. From a hearty vegetable frittata and spicy beef chili to comforting lemon-herb chicken and decadent chocolate bread pudding, this book offers recipes for every meal of the day.
