

## Wooden Boats

For 19 years, the Calendar of Wooden Boats has been the undisputed favorite of boating enthusiasts world-wide. The calendar features 12 new images by marine photographer Benjamin Mendlowitz, every one of them beautifully printed and suitable for framing. Each sailboat, powerboat, work boat, or rowboat is captured in brilliant color and reproduced in an elegantly designed wall calendar, with ample space to note daily appointments and reminders. Concise text by wooden boat expert Maynard Bray accompanies each photograph.
