

Home for the Holidays: A Cavanaugh Island Novella

This Christmas novella is set in charming, Sanctuary Cove featuring popular characters from Rochelle Alers bestselling small-town, Cavanaugh Island contemporary romance series. Love is always in season. There's no place like home for the holidays, especially for divorced pastry chef Iris Nelson. After escaping an abusive marriage, she's found peace on charming Cavanaugh Island. As the holiday approaches, Iris looks forward to spending it with her newfound best friends family ... and their very handsome visitor. On leave from Afghanistan, Army Master Sergeant Collier Ward is excited to be reunited with his family for Christmas. But the best gift of all may be this warm, beautiful stranger who joins them for the festivities. With his visit coming to an end, Collier can't deny the heat smoldering between them. Yet Iris can't help but wonder if it's just the glow of the season-and one night of passion-or a true miracle of love that will change their lives forever ...
