

10 Secrets to Successfully Navigate Graduate School

Are you in grad school or thinking about going to grad school? Well, here are 10 secrets you MUST learn before you graduate. Dr. Marcella Wilson wrote this book because she wishes she had it to read before or while she was in grad school. However, there was nothing out there like this. Or if there was a book like this out there, she was too stressed out and overwhelmed to notice. But in all reality, she wrote this book for you. Want to know why? So you can avoid all the pitfalls and mistakes she made in grad school. Learn from her experiences and use them as a means to improve your graduate school journey. So, in this article, you'll find the 10 most important tips that Dr. Wilson took away from graduate school in hopes that you read them and use them to fast track your path to graduation.
