

Deal with the Devil: The FBI's Secret Thirty-Year Relationship with a Mafia Killer

In Deal with the Devil, five-time Emmy Awardwinning investigative reporter Peter Lance draws on three decades of once-secret FBI files to tell the definitive story of Greg Scarpa Sr., a Mafia capo who stopped counting after fifty murders, while secretly betraying the Colombo crime family as a Top Echelon FBI informant. Lance traces Scarpa's shadowy relationship with the FBI all the way back to 1960, when his debriefings went straight to J. Edgar Hoover. In forty-two years of murder and racketeering, Scarpa served only thirty days in jail thanks to his secret relationship with the Feds. This is the untold story that will rewrite Mafia history as we know it a page-turning work of journalism that reads like a Scorsese film. Deal with the Devil includes more than 130 illustrations, crime scene photos, and never-before-seen FBI documents.
