

Detroit's Eastern Market: A Farmers Market Shopping and Cooking Guide, Third Edition (Painted Turtle)

Since 1887, Detroit's Eastern Market, the largest open-air market of its kind in the United States, has been home to an amazing community of farmers, merchants, and food lovers. Specialty shops, bakeries, spice companies, meat and poultry markets, restaurants, jazz cafes, old-time saloons, produce firms, gourmet shops, and cold-storage warehouses cover Eastern Market's three square miles. Its many streets and vendors reflect the varied cultures and ethnicities that have shaped the city of Detroit. In this third edition of Detroit's Eastern Market, authors Lois Johnson and Margaret Thomas recount the history of the market with additional stories and personal accounts of families who have worked and shopped there for as many as four generations. The authors have updated store information and added new restaurants and businesses to their original listings, reflecting the changes and additions that have taken place in Eastern Market since the previous edition in 2005. Richly illustrated with all new photos, Detroit's Eastern Market features more than a hundred pages of delightful recipes (including 17 new ones) from market retailers, farmers, chefs, and customers.
