Cartoonist Josh Neufeld depicts seven extraordinary true stories of survival in the days leading up to and following Hurricane Katrina. Here we meet Denise, a counselor and social worker, and a sixth-generation New Orleanian; The Doctor, a proud fixture of the French Quarter; Abbas and Darnell, two friends who face the storm from Abbas's family-run market; Kwame, a pastor's son just entering his senior year of high school; and the young couple Leo and Michelle, who both grew up in the city. Each is forced to confront the same wrenching decision whether to stay or to flee. As beautiful as it is poignant, A.D. presents a city in chaos and shines a bright, profoundly human light on the tragedies and triumphs that took place within it.
