

Brewer Twins: Double Take

Derek and Keith Brewer, identical twins from Redondo Beach, went from riding the waves of the California coastline to walking the runways of the worlds fashion capitals. This bold, graphic biography chronicles their success story, featuring photographs by fashions preeminent style-makers-- from Steven Meisel and Patrick Demarchelier to Blake Little and Peggy Sirota-- and showcasing the Brewers appearances in top magazines, campaigns, and shows, from Esquire, Vogue, and Sassy, to Yves Saint Laurent and Calvin Klein. The Brewers also provide the inside scoop on their beach boyhood and extreme lifestyle, from surfing to snowboarding, and share what its like to be celebrity twins. Derek and Keith are represented by Q, Americas newest model management agency.
