

## Angela Allens File and Suspend!: Ideas for Your Retirement Tool Box!

File and suspend is the hottest topic going in retirement strategies! Former Social Security Administration claims rep Angela Allen takes you on a fascinating tour of filing for retirement - but suspending your benefits! She helps with answers and examples. Why would you want to file and suspend? Can it put more money in your SSA retirement nest egg? Who can do this? Who can't? What are the rules? How does early filing limit future options? What about widows and spousal benefits? Can someone receiving disability benefits think about retirement strategies? Find out in this book by the author of Win Your Benefits!
