This is No Mr. Miyagi. Its more like the Karate Kid meets Breaking Bad This is a coming of age story with drugs, sex, and murder all set in a 1970s karate school. John Graden was a shy 13-year old stuck in a violent home with a rageoholic father. Inspired by Bruce Lee, he joins a local karate school in Largo, FL where he hopes to break out of his shell. His instructor, Walt Bone, is a world famous black belt and John immerses himself into the healthy martial arts lifestyle his new hero taught. However, one fateful afternoon, he learns that Bone is deeply involved in dealing drugs, smuggling, and other criminal activities. The dreadful discovery sends him on a whirlwind adventure exposing him to a deadly underworld that corrupted his young life and killed Walt Bone.
