

## Colours of Nature 2016: Flowers, Plants and Trees Painting Our World with Colour! (Calvendo Nature)

Flowers, plants and trees add colour to our world - throughout the year. Every season offers its unique set of colours. This calendar will bring a small but refreshing set of colours to your house or your office. You as well as your visitors will certainly be delighted with a new refreshing picture painted by nature - every month. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
