

21 Killer Fastpitch Softball Game Winning Strategies

How would you like to get your hands on 21 proven killer fastpitch softball game strategies that will give you the ultimate unfair advantage over your competition, guaranteeing you a ton more victories? Well now you can with this new 76 page eBook from southern California Master Coach John Michael Kelly. How many times youve lost a really close, really tough, really gut wrenching game that you lay awake in bed re-hashing in your mind about how if youd only done this or that youd have been victorious? In this eBook John will give you the secret weapons cache that will guarantee youll start sleeping like a baby because youll be winning all those close games. How great would that feel to you and your girls?! Your competition wont know what hit them when you push all the right buttons again and again, game after game! In this new eBook 21 Killer Fastpitch Softball Game Winning Strategies John has literally unloaded every trick and proven fastpitch strategy he has ever used or observed from coaching and watching 1,000s of fast pitch softball games over the years. These are little known tips, and full blow game and mental strategies that have personally won him a ton of tournament games over his coaching career. While writing this book Johns latest fast pitch team just finished a record season as they breezed through Districts, States and Nationals with a combined 17-4 record against the absolute best competition anywhere, and an overall 45-14 for the season. This fast pitch softball eBook is chocked full of fresh game strategies and insights that John has proven on the field in the competitive softball arena of southern California, home to some of the best softball in the world. Heres a partial list of game changing situations youll come out on top most every time with help from 21 Killer Fastpitch Softball Game Winning Strategies:-- Create super hitters with just one simple mental strategy

that will leave pitchers defenseless and create massive on base percentages!-- Spin your opponents defense in circles with this small ball strategyit will blow your mind and blow your competition out of the water even the toughest pitchers wont stand a chance against you!-- Use the running game to your fullest advantage with this game changing strategy.-- Make your pitchers absolutely DOMINANT in any game situation against even the most feared hitters with this old school slam-dunk strategy!-- Use this simple but potent game strategy guaranteed to win you the close and tie breaker games. Youll shut down your opponents while manufacturing that key run or two to come out on top EVERY TIME!-- Six proven 1st and 3rd defensive strategies designed to neutralize or cut down that runner at third base.-- Game saving clock management strategies that will win you a ton of close games and make you look like a genius!-- Killer base running strategies to get you the extra basethat even most Major Leaguers dont use. -- How to guarantee your players will have laser focus during the game virtually eliminating those game-costing errors!-- How to build a championship team filled with confident & competent players who absolutely love to play the game!-- Learn my proven ATTACK strategy you can apply to your hitting, base running, pitching, defenseand even your bench to DOMINATE your opponents every time! Coach K had this to say, Let me tell you, winning on a consistent basis in SoCal is TOUGH! It is sink or swim survival of the fittest when every team you play is filled with future Division 1 collegiate talent. Well, after coaching over 400 games I have figured out what it takes to win those close games, and give any team the ultimate winners edge. Dont go into another season without reading 21 Killer Fastpitch Softball Game Winning Strategies. Prepare your team to play like champions, and look like a genius coach in the process. This book is great for novice and mid-level coaches.
