

First Things First: The Rules of Being a Warner

Kurt Warner is the two-time NFL MVP-winning quarterback of the Arizona Cardinals. Brenda Warner is an ex-marine turned stay-at-home mom who collects coats for low-income kids and rocks babies to sleep at a hospital for chronically ill infants. Together they're the parents of seven, going into their 12th year of marriage, and founders of a foundation that helps disadvantaged children and families. Their formula for success? They put First Things First - family, faith, and giving to others - it's their family motto, and it drives everything they do. First Things First is an honest, insightful, and entertaining look at life inside the Warner household. Kurt and Brenda speak candidly about their marriage, the values they are working to instill in their kids, things they've done right, mistakes they've made, the importance of giving back, and the legacy they hope to leave behind.
