

Fpc Fp1: Financial Services and Their Regulations: Practice & Revision Kit 2000

Combining comprehensive and up-to-date syllabus coverage with exercises and exam-style questions, this kit focuses on financial services and their regulation. Awarded by the Chartered Insurance Institute (CII), the FPC is designed for people involved in the selling of financial products or services. The FPC is the compulsory minimum standard required by the industrys regulatory body - the Personal Investment Authority. The AFPC (advanced) represents the next optional level of qualification. This range is updated annually, but there is also a supplement in January, covering syllabus and legislative changes.
