

The Complete Homeschool Planner and Journal: A 180-Day Record Book for Homeschoolers and Involved Parents

A planner and journal for homeschoolers and involved parents by independent author and math tutor Larry Zafran. This record book provides space for 180 days of comprehensive homeschool planner/journal entries spanning 20 subjects. They are self-explanatory and adaptable for homeschoolers or involved parents who are tracking or supplementing the education of traditional school students. The book also includes an attendance calendar, forms to document the syllabus, textbooks, and materials being used for each subject, and fields to document other pieces of information which may be requested and/or required by government or school officials.

Additional printable pages from the book can be downloaded at no cost via the authors website which also hosts a discussion forum.
