

Get Back To Work Faster: The Ultimate Job Seekers Guide

Are you struggling to find work in today's crazy business environment? Finding a job anytime is a challenge. It's even worse when the economy is in bad shape. Traditional job search strategies are stacked against you. And, it's virtually impossible to come out a winner when hundreds of qualified people apply for the same position. It's time to stop playing the old game! This new book will change how you look at job hunting forever. You won't learn how to write a better resume, prepare for interviews or excel at networking. Instead, you'll find out how to eliminate that ordeal entirely. In *Get Back to Work Faster*, you'll discover how to: Sharpen your value proposition so it appeals to employers. Position yourself as an invaluable resource, not a job seeker. Developing compelling emails, letters and phone messages. Target and research prospective employers. Launch an effective campaign to get a new position. Earn an income while you're still looking for work. Get employers to create a new position specifically for you.... and much more! Use these fresh strategies to become a must-hire candidate and land a new job without any competition. *Get Back To Work Faster* is BRILLIANT!
