

Going Solo

Superb stories, daring deeds, fantastic adventures! Going Solo is the action-packed tale of Roald Dahls exploits as a World War II pilot. Learn all about his encounters with the enemy, his worldwide travels, the life-threatening injuries he sustained in a plane accident, and the rest of his sometimes bizarre, often unnerving, and always colorful adventures. Told with the same irresistible appeal that has made Roald Dahl one of the worlds best-loved writers, Going Solo brings you directly into the action and into the mind of this fascinating man.
