

How to Write an Essay, Workbook 1 (College Writing)

This workbook accompanies the online course, College Writing 2.1x, the first of a series of three courses offered by College Writing Programs of the University of California, Berkeley through edX.org. This workbook offers additional ways to practice writing, editing, and reviewing the materials for the online course. The workbook includes writing prompts, vocabulary lists, and editing exercises (with suggested answers). If you would like to purchase this workbook and are not taking the course, you may still find use for the materials. However, it should be noted that the course is offered free of charge, so you are welcome to join the live course. Information on how to do so and the website address are noted in the workbooks introduction.
