

Hero Of My Heart (The McRaes Series, Book 5 - Will)

(Warning: Amandas story is not an easy one. It includes sexual violence and gun/school violence. Deciding to include those elements in her story was not easy for me. Amandas a teacher, a brave one who finds herself in a terrible situation. Will is the kind of guy you want by your side when everything goes bad. I tell stories like this because I believe life is sometimes awful, and the important thing is how we survive and move past those things. Thats what I hope youll see in Amandas story.) Taken hostage while teaching abroad, Amanda Warren was convinced she was going to die until U.S. Navy SEAL Will Gerard charged in to rescue her. Now she wonders if shell ever feel safe and whole again. Her injuries left her with few memories of her ordeal, except the fear. Striving to heal, shes driven to find Will and ask him for help once again-and discovers theres something familiar and reassuring about him. While Amanda considers him her hero, Will tells himself he was just doing his job-to save her, then forget about her. But he admires her courage, wants her to feel safe in his arms. Its up to Amanda to convince Will that he is her hero, the hero of her heart.
