

Woolbuddies: 20 Irresistibly Simple Needle Felting Projects

You can see how cute these woolbuddies are. You're not going to believe how easy it is to make them! Tired of searching for special toys that weren't mass-produced, former Lucasfilm animator Jackie Huang created the beloved Woolbuddy, a collection of all-natural stuffed animals that reflect his unique imaginative vision. He went on to capture fans at craft fairs, Comic-Con, and specialty boutiques. Here Huang teaches readers, using just some wool and a needle, how to needle felt a wide-eyed owl, a toothy shark, a fuzzy sheep, a towering giraffe, and more. With step-by-step instructions and helpful how-to photographs, crafters can create clutchable keepsakes to be instantly enjoyed and forever cherished.
