

Kennedys Way: Inside Bob Paisleys Liverpool (Mainstream Sport)

Folk-hero left-back Alan Kennedy scored the winning goal in the 1981 European Cup final against Real Madrid, as well as the nerve-twanging winning shoot-out penalty against AC Roma in 1984, a feat which secured his position in European football history. *Kennedys Way* examines Kennedys footballing career under manager Bob Paisley, and provides a retrospective account of Liverpools dominance during those years. Drawing on Kennedys memories of the period, as well as those of other players and backroom staff involved with the Reds at that time, it is an irreverent, revealing account of the dressing-room culture at the club while it was at the height of its powers. This book concludes with reflections on Kennedys post-playing life, and on the trajectory of Liverpool since the Heysel and Hillsborough tragedies, right up to recent events at the Club, including the exit of Grard Houllier and the teams performance under new manager Rafael Benitez.
