

Intimate Issues: Twenty-One Questions Christian Women Ask About Sex

Intimate Issues answers the twenty-one questions about sex most frequently asked by Christian wives, as determined by a nationwide poll of over one thousand women. Written from the perspective of two mature Christian wives and Bible teachers/women who you'll come to know as teachers and friends, Intimate Issues is biblical and informative: sometimes humorous, other times practical, but always honest. Through its solid teaching, warm testimonials, scriptural insights, and experts' advice, you'll find resolution for your questions and fears, surprising insights about God's perspective on sex, and a variety of practical and creative ideas for enhancing your physical relationship with the husband you love. With warmth and wisdom, authors Linda Dillow and Lorraine Pintus speak woman to woman: examining the teachings of Scripture, exposing the lies of the world, and offering real hope that every woman's marriage relationship can become all it was intended to be in God's design.
