

Womens Contemporary Fiction, Box Set

A look at the grit beneath the glitz and one woman's triumph over both--Nora Roberts, *SAPPHIRE AND SHADOW* The tangled emotional lives of modern women.... Johanna Whitney throws away her talent to marry a brilliant film director, only to watch him crash and burn in *SAPPHIRE AND SHADOW*. In *CHOICES*, Shanna Brady, daughter of wealth and influence, struggles to find true love after being humiliated and cast aside by her husband. In *FLASH AND FIRE*, Amanda Foster, child of privilege, vows to make it on her own as a TV anchor despite the dangerous and crippling jealousy ignited against her in the newsroom. Beloved USA Today and Publishers Weekly bestselling author Marie Ferrarella is now re-releasing these hard-to-find women's contemporary novels written in the tradition of Danielle Steel, Nora Roberts and Debbie Macomber. Marie's unique touch, filled with empathy and wry humor, enhances these heart-tugging stories exploring the tangled emotional lives of modern women.
