

# John Sloanes Country Seasons 2017 Monthly/Weekly Planner Calendar

Through his art, John Sloane seeks to preserve nostalgic places and activities before they fade away. His thoughtful and detailed paintings are glimpses of landscapes, barns, and homes from an idealized past, before the modern intrusions and hectic pace of today. He invites you to join him on his journey through the country seasons as he celebrates nature and the pleasures of traditional country living. Like the seasons, each weekly spread of this spiral-bound calendar holds its own special beauty and surprises. Lovely season-specific paintings flank the weekly grids, and large full-spread monthly grids begin the calendar. Convenient pockets are included inside the front and back covers.
