

The Wisdom of Gandhi (Wildlife Brought to Life Series) (Volume 6)

Explore the wisdom of Mahatma Gandhi in this book of wildlife photography. Enjoy the beautiful photos of iridescent hummingbirds and hungry honeybees, gorgeous flowers and gnarly trees, puffy clouds and relaxing trails, lounging lizards and watchful birds, and dragonflies and beetles and leaves and more. Immerse yourself in the wise words of one of the worlds most admired civil rights leaders: You must be the change you wish to see in the world. Peace is its own reward. It is healthy to be reminded that the strongest might weaken and the wisest might err. The best way to find yourself is in the service of others. Happiness is when what you think, what you say, and what you do are in harmony. There is more to life than increasing its speed.
