

## Tween Girls and God -- Journeys

Lets be honest -- its tough to raise girls these days! And raising young Christian girls ... Whew! The whole world seems to be luring them away from our core values and beliefs. We have wonderful resources, of course -- a church family that loves our kids, home Bible studies, teaching and training as opportunities arise ... How about one more? Tween Girls and God is written specifically for girls in the 9-12 year old range. The magazine is available each week, but themes run for a full month. This gives girls (and parents) 30 concentrated days to learn about and meditate on a single Biblical truth. With devotionals and articles based on the theme plus fun activities, recipes and stories, girls have plenty to learn and share with friends.

TGG is available for free five days of its first week of publication. Look for this issue in its free promotion from July 9 - July 13. After that, pay only .99 for the issue. If youd like to subscribe to Tween Girls and God, check out our blog at [TweenGirlsAndGod.blogspot.com](http://TweenGirlsAndGod.blogspot.com). You can also read more about our authors, find aritcles for parents and activities for the whole family. Leave comments and suggestions, as well.
